Bilateral agreements with Switzerland

Dear Mr Parlavantzas,

Thank you for your letter of the 4th of June. I take note of your views regarding the enforceability of the Free Movement of Persons Agreement. As you mention there is indeed no formal dispute settlement mechanism in the current agreement. The European Union is currently negotiating a horizontal framework agreement with Switzerland and the issue of dispute settlement is within the scope of the negotiations.

Our task at the Permanent Representation of Sweden is to represent Swedish interests and positions in the European Union. We are not able to provide any legal counsel or aid to individuals. We thus hope that you understand that we are not in a position to take further action regarding your personal situation.

Yours faithfully,

Anders Ahnlid
Ambassador
